Chambers wins Shawnee, tightens Shippen Cup race

Jimmy Chambers (right) wins the Shawnee event and pulls to within 5 points of the Shippen Cup lead. Tony Jenkins takes 2nd place at Shawnee.

Shawnee is a familiar tract for many of the Ball Strikers. It's a vacation destination featuring many outdoor activities in addition to golf. But on this day we were focused on golf. This was a Shippen Cup event featuring individual match play and individual stroke play against the field.

Most Strikers got early enough starting to avoid the route 80 West traffic jams, but a few experienced travel delays that resulted in the frantic rush from the car to the 1st tee (or even worse; the 3rd tee). Jimmy Chambers experienced no such distractions.. Chambers fired a net 67 to take 1st place in the stroke play competition. He also won his match to record a 40 point day.

Ball Striker rookie, Tony Jenkins, seems to be adjusting to the Shippen Cup format. Jenkins shot a net 68 to take 2nd place in stroke play and won his individual match.

Mel Knight, Mel LuSane, Hugh Lecky and George Weekes all scored net 72's good for T3 in stroke play. Weekes, Lecky and LuSane won their individual matches and are all positioned in the top 7 of the overall Shippen Cup competition. Jimmy Chambers' event win moved him into 2nd place in the overall Cup competition, less than 5 points behind the leader, Darryl Jeffries.

Other individual match winners at Shawnee were Darryl Jeffries, Rod Le-

Brew, Errol Blake, Ray Woolfolk, Anthony Darby, Dan Williamson, George Gresham, Greg Whitaker and Derrick Bethume.

Top Grossers at Shawnee were Jimmy Chambers (73), Tony Jenkins (75), Blake LeBrew (75) and Mel Knight (82).

The next Ball Striker event is Saturday, August 23 at The Architects'. This will be a team match play Shippen Cup event. The most important event of the season, the Club Championship, is coming up September 6 & 7 (Sat & Sun) at Galloping Hill. This event will include Gross Club Champion, Net Flight Champion and Shippen Cup stroke play competitions.
