Strikers dominate Beaver Brook golf gathering

Top Ball Striker performers at Beaver Brook were (left to right)
Tony Jenkins, Donald Rucker and George Thomas

Four clubs gathered at Beaver Brook, each expecting to best the other three in stroke and match play competition. Harambee and Original Tee out of New York. The Heavy Hitters and the Ball Strikers from Jersey. Each club was responsible for filling 20 slots. Placing one player in each of 20 foursomes. The foursomes were matched together based on similar handicaps, but the competition was all based on gross scores.

The stroke play competition format was very simple. Add up the 20 scores for each club and the

lowest total wins. For the clubs coming up short of 20 golfers, the highest score in their club was used for all the empty slots. There was match play competition in each foursome as follows. Winning a hole outright wins 2 points for your club. Pushes gain 1 point for each player involved in the push. Match play points were only available for groups with 4 players.

When the dust settled and the scores were tallied the Ball Strikers took first place in both the stroke and match competitions. Leading the Strikers were Tony Jenkins (stroke-82/

match-14), Donald Rucker (84/19) and George Thomas (84/18).

Strikers were also well represented in the skills competition with Steve Flores winning 1 of 5 \$skins, Earl Fraser winning 1 of 2 closest to the pin and a Striker sweep in the long drive competition compliments of Hugh Lecky and George Weekes. Also, Donald Rucker and George Thomas won significant \$\$\$ in the 3 par competition.

All in all a fine day for all involved. Great competition and even better fellowship.
