## Chambers, Ward, Eatman & Holloway win gross championship flights

*(from left) Jimmy Chambers, Greg Ward, Cleve Eatman, Joseph Holloway*

Nineteen Ball Strikers assembled for the two day club championship at The Architects. Nineteen at the club championship would normally be a very disappointing turnout, but considering the two postponements, the angry skies overhead, the angry (aerated) greens below and the generally soggy condition (cart path only) of the course, nineteen was a very decent turnout. The new championship format featured four flights (by handicap) with each flight producing a gross and net champ. (Note that the gross champ is not eligible to be net champ.)

Jimmy Chambers capped an outstanding competitive season by winning both the flight 1 gross club champi-

onship and the Shippen Cup championship. Chambers shot a "lights out" even par 72 on day 1 and survived "max score" penalties on the last 4 holes of day 2 to beat out Dave Wynn by 2 strokes for the gross title. Dave Wynn shot a net 152 for the two championship rounds to take the flight 1 net title.

Greg Ward, with two outstanding rounds of 80/81, routed a strong field to take the flight 2 gross championship. Ward will surely move up to flight 1 next season. Tom Culp beat out Darryl Jeffries by 2 strokes to take the flight 2 net championship.

Cleve Eatman regained his early season form that enabled him to dominate the

first three Shippen Cup events and took the flight 3 gross championship. George Weekes won the flight 3 net championship.

Joseph Holloway powered his way to the flight 4 gross championship. George Gresham with two steady rounds took the flight 4 net championship.

**Three flight 1 players received "max score" penalties for not completing their day two round.** Jimmy Chambers, Mel Knight and Curtis Atkinson left the golf course during a late day rain storm and did not return to complete their round. Each player was given a "max score" (par +4) for each of 4 holes not completed.

## Chambers, LuSane, Conrad, Eatman & Jeffries take top 5 in Shippen Cup

(from left) Jimmy Chambers, Mel LuSane, Mike Conrad, Cleve Eatman & Darryl Jeffries

The Shippen Cup season started back on April 9 at Whitetail. That cool damp Spring day and the cool damp Fall day in October serve as appropriate bookends to the Shippen Cup season. Jimmy Chambers lead the Shippen Cup after the first event. Then after falling as low as 4th place, he surged back to lead the Cup by the August 6, competition at Riverview. He never relinquished the lead after that and finished the season as the 2011 Shippen Cup champion, 28 points clear of the 2nd place finisher, Mel LuSane.

After a sluggish start, LuSane made a steady climb up the Cup standings. Consistent improvement in his game brought him to the Shippen Cup lead after the June 18,

Shawnee event. He held the lead through the next two events only to be overtaken by Jimmy Chambers at the August 6, Riverview competition. LuSane finished the season comfortably in 2nd place.

Mike Conrad made a late season run at the Cup title when he jumped from 9th to 3rd place at the Aug 6, Riverview event. His charge stalled at that point, but he maintained his 3rd place position in the final Cup standings.

Cleve Eatman stormed to the Shippen Cup lead after dominating the May 21, Architects event. He appeared unbeatable, but missed a few events and then could not regain his early season dominance. He did, however, finish

strong at the club championship, moving up to a respectable 4th place in the final Cup standings.

Darryl Jeffries, a former Club Champion, played good, steady golf all season. After a strong day 2 performance in this season's club championship, he moved up to 5th place in the final Shippen Cup standings.

The Shippen Cup competition was instituted to provide the Ball Striker members with a season long friendly competitive golf experience. Because it is a handicapped competition, everyone participating has a chance to compete and win.

In addition to being fun, the competition should help members sharpen their competitive match play and stroke play

skills. Hopefully all Ball Strikers will embrace the upcoming 2012 season with even more enthusiasm than the 2011 season.

Congratulations are in order for all who organized and participated in the 2011 Shippen Cup season. Any suggestions for improving the Shippen Cup format should be directed to Ball Striker officers or Trustees. See the Ball Striker website ([www.njballstrikers.com](http://www.njballstrikers.com)) for contact information or bring your suggestions to the next Ball Striker meeting.
