Mel Knight leads Strikers to slim victory over Del-Val

Ball Striker golf director, Mel Knight, had a full day at the office at Neshanic on June 9. He was a half hour late arriving because of bad directions. He had to immediately get with organizing his Ball Striker team for their matches against arch rival Del-Val. Distribute new caps to each Striker. Negotiate each match pairing. Get everyone from the driving range and the putting green into their carts. Explain the rules of engagement. And after all that, with no time to practice or warm up and barely time to put on his golf shoes, Mel had to play his match. Then, as we finish our matches, there is Mel, collecting scorecards, recording

match results, resolving discrepancies. And the fruit of his labor is a slim match victory for the Ball Strikers over Del-Val.

The format for the club match was individual match play with 1 point awarded for front, back and total. That's 3 points available for each of the 18 matches. Ties split the point. The final tally was Ball Strikers 28.5, Del-Val 25.5. The margin of victory a razor thin 3 points.

Congrats to all of the Strikers who participated in the victory. Every half point was important. Extra credit to the following Ball Strikers who swept (3 points) their match: Darryl Jeffries, Walter Frye, Anthony Brown, George Thomas, Goodwin Goddard and (you guessed it) Mel Knight.

Neshanic Valley is a special golf course

I don't know who from the Del-Val club was responsible for securing the Neshanic Valley golf course for our club match, but I'm sure everyone who played in the match owes that person a debt of gratitude. Neshanic is a spectacular venue. From the practice facility to the clubhouse to the golf course itself, everything is first class. It's hard to believe this is a munici-

pal golf course.

The course was challenging without being ridiculously difficult. There are a few trick holes but the course is

fair for the most part. The staff was courteous and helpful. I look forward to the next opportunity to play this Somerset county gem.
